WORLD CHAMPIONSHIP—MIAMI 24, MINNESOTA 7

1974 SUPER BOWL

In convincing style, Miami's Dolphins made it two straight NFL championships as they rolled over the Minnesota Vikings 24-7 in Super Bowl VIII.

68,142 spectators in Houston's Rice Stadium saw the Dolphins set the tone and tempo of the game right at the start when, following the opening kickoff, Miami marched 62 yards in 10 plays for the first score—a 5-yard run by Larry Csonka.

Miami Quarterback Bob Griese rarely needed to go to the air (he threw only 7 passes all day, completing 6) as the Dolphin running game worked to perfection. Behind some of the fiercest blocking seen since the mid-'60s days of the Green Bay Packers, Dolphin runners frolicked through holes ripped in the vaunted Minnesota defense. Csonka, the undisputed star of the game, finished the day with 145 yards rushing (a new Super Bowl record) and two touchdowns. Other Miami points came on a 1-yard plunge by Jim Kiick, and a 28-yard Garo Yepremian field goal.

With the Miami offense controlling the ball, and the game, the Vikings had to scramble to put anything up on the board—despite a record-setting 18 pass completions by Fran Tarkenton. Tarkenton finally scored on a fourth quarter 4-yard run—and Minnesota avoided a shutout.

**The Army ROTC
college schedule.
It can put you
ahead.
And keep you
there.**

Take a look at Army ROTC.
A year-by-year, step-by-step look that
shows what you'll be doing, where you'll
be going and what to expect along
the way.

Army ROTC. The more you look
at it, the better it looks.

High school graduation.

Your first year of college. The Army ROTC Basic Course begins.

Four-year, full-tuition scholarships also begin here. Three- and two-year scholarships are still available.

The Advanced Course begins your junior year of college. Two-Year Program students also enter here. All are now earning \$100 a month up to ten months a year.

Advanced Camp. It happens the summer between your junior and senior years. You put into practice the leadership principles you've learned.

Military Science IV — Your last year of college. And your last course of study before you become an officer.

Flight training is an option offered during the last year of the course. It's available at most Army ROTC institutions.

Graduation. A big day in your life. You're getting your college degree.

And to make a big day even bigger, you're also getting your commission as an Army officer.

You're serving your required obligation as an officer. Leading the way you've learned.

Whether you choose a military or civilian career you've got a special kind of experience that employers are looking for. Experience that will last a lifetime. Experience in leadership.
